ROOM18 ARE A FOUR-PIECE PUNK-POP BAND FROM THE SOUTH COAST OF ENGLAND WHO ARE ALREADY MAKING SERIOUS NOISE

Fronted by Bay (14) on vocals and guitar, alongside Isaac (14) on drums, Frankie (15) on bass and vocals, and Emmy (15) on guitar, this young lineup packs a punch well beyond their years.

Fuelled by the rebellious spirit of Blink-182, the emo edge of Mom Jeans, and the explosive energy of NOFX, Room18 brings a fresh, fast-paced twist to the genre. Whether they're tearing through crowd-pleasing covers or crafting original tracks, their sound is loud, raw, and impossible to ignore. You'll find them lighting up stages across Bournemouth and beyond, from local venues to festivals — and they're only just getting started.

Fresh from winning BandStorm 2026 and Rising Music Festival, plus earning airplay on BBC Introducing, Room18 are quickly establishing themselves as one of the most exciting bands to watch.

Expect blistering drum beats, chaotic guitar riffs, and dynamic vocal harmonies, all delivered with relentless energy and a sense of pure fun. Their chemistry is undeniable: four friends, completely in the moment, doing exactly what they love.

This isn't just a performance — it's a full-throttle blast of 90s-inspired skate punk nostalgia with a modern edge.
